Dear Mr. Dunn:

Re: Disposal of Asbestos Insulation from
Container Corporation of America
Wabash, Indiana

This letter acknowledges the request for disposal dated March 11, 1986, from Mr. Lance Eckman, Asbestos Removal, Inc., Wabash, Indiana.

Approval is hereby granted for disposal of 25 bags, one time only, of asbestos insulation at the Spring Valley Landfill, OPP. No. 85-2, Wabash County. The waste is to be covered with a minimum of six inches of cover soil or solid waste immediately.

The approval is granted subject to the following conditions:

1. The generator and/or hauler must contact you to notify you of the time of disposal and conditions of shipment.
2. Appropriate protective clothing should be used during handling and disposal to ensure proper protection from exposure to the material, especially from inhalation.
3. All asbestos must be sufficiently dampened to prevent airborne contamination during compaction and placed in six (6) mil plastic bags.
4. Containers shall be labeled with a proper warning label stating: Caution--Contains Asbestos--Avoid Opening or Breaking Container. Breathing Asbestos is Hazardous To Your Health.
5. If nuisance or pollution conditions are created, immediate corrective action will be taken by the operator.
6. Waste material accepted under this approval shall be included on the Special Waste Monthly Report to be submitted to this office monthly.
7. This approval will expire July 31, 1986.
